LAST NIGHT'S TALK

Missionary From China at the First Presbyterian Church

Mrs. Mary L. Burnham, from the field of Chianfu, China, and Missionary to the children in this country, was highly gratified on one occasion at what she pronounced a very complimentary remark from a little boy, who said she had made "a dandy talk."

This opinion of her youthful admirer was certainly voiced by a small but appreciative audience at the First Presbyterian Church last evening.

Mrs. Burnham does not—so she says—lecture nor address a meeting; she simply talks, and in a straightforward, impressive and very attractive way. Her descriptions of Chinese life in the home, in school and in her hospital work bear the impress of veracity and sincerity, two very important elements in a talk to children, to say nothing of a corresponding effect on the minds of older persons.

Dr. Burnham prepared herself for medical work at her home in Maine, and has been practicing in the Melvaine Hospital at Chianfu for the past seven years. She has, certainly, lost no time since returning to the United States last August, as her talk at the Presbyterian Church was the eighty-seventh she has made in this brief space of time.

The progressive spirit of Miss Bauer and the Junior Missionary Society should be highly commended.

Gordon Ruark, the 14d who left his home here last week, is in Portsmouth with his father, and will remain there for the present.

Mr. Gilbert A. Collins is building a 14x60 addition to his already large stable in Second street extension. The Captain is evidently contemplating a business on a large scale. It will not be many years before this will be quite a business street.

The manner in which Master Robert Straus, the precocious son of Mr. and Mrs. S. Straus, acquitted himself in the High School entertainment at the Opera-house Thursday night has been favorably commented on by those who had the pleasure of hearing him. His self-confidence and sweet, silver-toned voice, together with an almost perfect stage presence, won and captivated the large audience present. If he is given a musical education he will be heard from later on.

A Good Suggestion.

Mr. C. B. Wainwright of Lemon City, Fla., has written the manufacturers that much better results are obtained from the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy in cases of pains in the stomach, colic and cholera morbus by taking it in water as hot as can be drunk. That when taken in this way the effect is double in rapidity. "It seems to get at the right spot instantly," he says. For sale by all Druggists.

Cartmell extracts teeth without pain.

The recent Carter County Grand Jury returned 192 indictments.

It is almost certain that a large number of excursionists will stop off here tomorrow and if it is not exacting too much, it would be a handsome thing if the loafers who continually preempt the settees on the Esplanade to their own comfort and to the exclusion of all others, will condescend to give way for the time being and afford the visitors a chance to rest 'neath the umbrageous trees. What say you, Mr. Policeman? Don't you think that is the proper thing to do?

Beware of Ointments For Cataract That Contain Mercury.

Mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is tenfold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, O., by F. J. Cheney & Co. Testimonials free.

Sold by Druggists. Price 75c per bottle. Take Hall's Family Pills for constipation.

The soldiers of the Civil War quit fighting 40 years ago; and the only persons still engaged in sectional warfare are the Churchmen who insist on a Southern branch and a Northern branch in their several denominations.

In Newport a Jury fined a man \$175 for throwing a "cannon cracker" under another man's chair on the Fourth of July last. He got off entirely too cheap. Nothing short of banishment to a Lunatic Asylum would fit the case.

In his address to the students of Tuskegee Industrial Institute Rabbi MESSING of Montgomery, Ala., gave some excellent advice, which applies with equal force to white people as well. One of his chunks of wisdom was this—

"Do not mix too much with the Government. Do not seek for snaps. It is better to be a first-class Man than a fourth-class Postmaster."

MRS. MARY M'DANIEL.

Mrs. Mary McDaniel died yesterday morning at her home in Aberdeen, after an illness of a few weeks.

AFTER all, the Editor is a lucky devil. A Boston Bank failed the other day for \$1,714,368—and it didn't owe me a cent.

SOME women just can't keep from gossiping, any more than a good, healthy cow can keep from chewing her cud. Down in Newport a few days ago Mrs. JOHN CONNORS put on her husband's supper and then went out and hung over the back gate for an hour swapping scandal with a next-door neighbor. Presently she loosened up long enough to look down the street; and the balance of the story is told in this news item—

"Why, I wonder where the fire is. It must be in this neighborhood, for the engines are coming up this way," said Mrs. CONNORS. Firemen began to unroll hose and carry it into her yard. Then she turned around and saw her house was on fire.

Political Pickings

UNCLE SAM THE WHOLE WORKS.

Hopkinsville Messenger.

The Democratic press has started the campaign of 1908 on "Government ownership." All we have to say is, that if the Government must own the railroads, telegraphs, telephones and express transportation, why not let it own the tobacco business, sawmills, flourmills, barrooms, hotels, grocery stores, and in fact all kind of business? Don't stop at one or two, but put everybody out of business and start Uncle Sam to work. If this isn't Bryan doctrine, what is it?

GRADUAL DECLINE

This is the fate of sufferers from Kidney trouble, as the disease is so insidious that often people have serious Kidney trouble without knowing the real cause of their illness, as diseased kidneys allow the impurities to stay in the system and attack the other organs. This accounts for the many different symptoms of Kidney Disease.

You begin to feel better at once when taking

FOLEY'S KIDNEY CURE

as it stimulates the heart, increases the circulation and invigorates the whole system. It strengthens the urinary organs and gives you new life and vigor.

Chicago Business Man Cured

Foley & Co., Chicago, Gentlemen:—About a year ago my health began to fail, I lost flesh and never felt well. The doctor thought I had stomach and liver trouble, but I became convinced that my kidneys were the cause of my ill health and commenced taking FOLEY'S KIDNEY CURE. It increased my appetite and made me feel stronger, and the annoying symptoms disappeared. I am now sound and well.—J. K. Horn, 1354 Diversey Blvd., Chicago, June 11, 1902.

THE RASCALS FALL OUT!

Lawyer Kohn Sues the Goebel Estate For a \$5,000 Fee

The case of Aaron Kohn of Louisville against William Goebel's Executor for \$5,000 fees and expenses he claims as one of the Attorneys engaged in the contest of William Goebel before the Legislature for the Governorship in 1900, is engaging Judge Shaw and a Jury in the Kenton Circuit Court.

William H. Mackoy is counsel for the plaintiff, and associated with him is Attorney Fred. Forcht, Jr., of Louisville.

Mr. Arthur Goebel, the Executor, although he has Attorneys, is handling his own defense. There are many depositions in the case, and much time of the Court has been taken up in discussing their contents.

Mr. Mackoy for the plaintiff took exception to much that had been incorporated into the depositions filed by the defense, and was very successful in his contention.

An affidavit made by Justus Goebel was knocked out because the proper rules in taking it had not been observed by Goebel's lawyers, in that no notice of the taking of his depositions in question had been given to the other side.

Much of the deposition of Colonel Bennett H. Young of Louisville, who did some work for Goebel in the contest, was also stricken out.

Several prominent lawyers and politicians are in Covington to testify, among them Bob Franklin, the Commonwealth Attorney of Frankfort, and John K. Henricks of Paducah for the defendant; James D. Bohon, Secretary of Louisville Fire Board, and Clarence Walker of Louisville for the plaintiff.

Chamberlain's Cough Remedy the Very Best.

"I have been using Chamberlain's Cough Remedy and want to say it is the best cough medicine I have ever taken," says George L. Chubb, a merchant of Harlan, Mich. It should always be kept in the house ready for instant use, for a cold can be cured in much less time when promptly treated. For sale by all Druggists.

A GREAT WEAPON.

Maysville People Cannot Fail to Appreciate the Worth of It.

Only one weapon
To fight backache—
The weapon that strikes the cause—
Doan's Kidney Pills reach the root.
Their work in Maysville proves it.
You read of cures made years ago.
And the cures were lasting cures.
Read the following:
Mrs. Mary Thomas, wife of J. A. Thomas of 204 Limestone street, Maysville, Ky., says:
"I am only too pleased to confirm the statement I made in the spring of 1900 recommending Doan's Kidney Pills, after they had relieved me of backache and other symptoms of kidney trouble. I got them at J. Jas. Wood & Son's Drugstore. During the years that have elapsed since I made that statement I have had occasion to give Doan's Kidney Pills a further trial, and I have found that it requires only a few doses to ward off attacks of kidney trouble or to check them before they become serious. I can also point to the case of my boy, 12 years old, who at the time I first used Doan's Kidney Pills was troubled a great deal with weakness of the kidneys and could not control the secretions properly. I gave him Doan's Kidney Pills and he improved rapidly under the treatment. The relief he found has proved lasting and from his experience and mine I am certainly warranted in recommending Doan's Kidney Pills.

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Our farmers are having extra work. Before

crusty. It is impossible for the corn to get
up, making it necessary to again harrow, fur-
row and replant.
Remember the big Sunday-school picnic on
the beautiful grounds of Ebenezer Presbyte-

for a day's outing and recreation, bring a bas-

have a good time.

How to Ward Off Old Age.
The most successful way of warding off the ap-
proach of old age is to maintain a vigorous diges-
tion. This can be done by eating only food suited
to your age and occupation, and when any disor-
der of the stomach appears take a dose of Cham-
berlain's Stomach and Liver Tablets to correct it.
If you have a weak stomach, or are troubled with
indigestion, you will find these Tablets to be just
what you need. For sale by all Druggists.
